All Pharmacy Medication Guides are available at <https://www.floridablue.com/tools-resources/pharmacy/medication-guide>.

- See current medication guide for a listing of specialty medications. Updates are made in January and July
- OON Pharmacy services are subject to the pharmacy deductible (where applicable) and paid at 50% of allowance.
- 90 day supply available at select retail extended supply pharmacies. Visit the providers directory at www.FloridaBlue.com to find retail.
- Pharmacy utilization programs (eg) Responsible Rx, Mandatory Generic Rx, Exclusions apply to all plans (see Medication Guide).

Closed Formulary Note:

- Rx-Specialty Medication – Not Covered – Except for oral oncology and HIV Medications

Open Formulary Note:

- Condition Care Rx Program HSA Preventive list. Waive deductible.

- **Medical Pharmacy (Office Setting):** Coverage for self-administered specialty medications are excluded except for medications used for immediate stabilization (e.g. securing an airway, controlling a hemorrhage, or treating shock). Please refer to retail pharmacy for coverage of self-administered specialty medications.

**90 day supply available through Prime Therapeutics

***All RX meet Center for Medicare and Medicaid Part D-Creditable Coverage Guidelines.

This is a summary of benefits and not a contract. All benefits are subject to the provisions, exclusions and limitations set forth in the master contract. To verify a provider's specialty or participation status, the insured may contact Florida Blue, or review the most recent Provider Directory. It is the insured's sole responsibility to select and verify a provider's network participation status at the time services are rendered.
